

FCC Commissioners  
The Federal Communications Commission RE: Docket 04-435  
445 12th Street, SW  
Washington, DC 20554

Dear FCC Commissioners ,

PLEASE promote safety and security - - leave the current rules  
in effect!!

I am writing to voice my concerns about the FCC's proposal to  
relax the restrictions on the use of cell phones on airplanes in  
flight.

There is no hard evidence that cell phone use doesn't interfere  
with navigational instruments. The introduction of cell phone  
use in the cabin will not only increase tension among  
passengers, it will compromise flight attendants' ability to  
maintain order in an emergency. Cell phone use could also enable  
terrorists to coordinate a plan of action more effectively.

Again,- - I BEG OF YOU - - please leave the current rules in  
effect.

Sincerely,

Janice Lienhart
